Re: Petition for Public Records Disclosure Order:
Crook County Trial Court Records

Dear Mr. Drollinger:

This letter is the Attorney General's order on your petition for disclosure of records under the Oregon Public Records Law, ORS 192.410 to 192.505. Your petition, which we received on January 17, 2006, asks the Attorney General to order the Crook County Trial Court Administrator to provide a copy of Prineville Police Department incident report #991061, supplemental #6. For the reasons that follow, we respectfully deny your petition.

The Public Records Law confers a right to inspect or receive a copy of any public record of a public body in Oregon, subject to certain exemptions and limitations. *See* ORS 192.420. The law requires generally that the custodian of public records furnish proper and reasonable opportunities for their inspection or copying in the office of the custodian. ORS 192.430. If a state agency denies a request for disclosure of records, the requestor may petition the Attorney General for review of the denial. ORS 192.450(1).

We have received a copy of a letter, dated January 19, 2006, sent to you by Amy Bonkosky, the Trial Court Administrator for the Crook and Jefferson County Circuit Courts, in response to your request for the police report. Ms. Bonkosky's response states that she located three pages of a "supplemental incident report" from the Prineville Police Department in the case file identified in your request, and that she enclosed copies of

those three pages with her letter to you, waiving the associated costs. Because Ms. Bonkosky has provided you with the responsive records held by her office, we deny your petition as moot.

Sincerely,

PETER D. SHEPHERD
Deputy Attorney General
