Re: Petition for Public Records Disclosure Order:
Oregon State Hospital Records

Dear Mr. Wilson:

This letter is the Attorney General's order on your petition for disclosure of records under the Oregon Public Records Law, ORS 192.410 to 192.505. Your petition, which we received on August 4, 2005, requests that the Attorney General direct the Oregon State Hospital (OSH) to make available to you the following records:

> [R]ecord[s] reflecting the date the Said 'Court Order' in question, was received and or, date(s) reflected by file or files it was found in, which will most likely identify the date as to when the court order was received by O.S.H.

For the reasons that follow, we respectfully deny your petition.

We spoke with Don Abel, Director of Security and Risk Management at OSH, about your petition. He reviewed your file and confirmed that the Multnomah County Circuit Court order for your evaluation under ORS 161.365 was stamped as received on May 22, 2001, by OSH Forensic Evaluation and Treatment Services. You were provided a copy of that date-stamped order pursuant to an earlier records request to OSH. OSH has no other records relating to the date on which OSH received the court order.

Because OSH has no records responsive to your request that you have not already been provided, your petition is denied.

Sincerely,

PETER D. SHEPHERD
Deputy Attorney General

c: Don Abel, Director of Security and Risk Management, OSH

We spoke with Don Abel, OSH Director of Security and Risk Management, about your petition. He told us that OSH received your April 18th request for the cited records.

In relation to the first portion of your request, Mr. Abel told us OSH is uncertain whether it has records documenting admissions openings for ORS 161.365 evaluations between May 21 and August 1, 2001, and whether a waiting list was recorded for that time period. He told us that OSH is in the process of searching its files to determine whether records responsive to this portion of your request exist, and, if they do, that OSH will send you copies of the records. Mr. Abel also told us that OSH expects to be able to respond to your request within approximately one week of the date of this order. Because OSH will produce any responsive records during this time period, we deny the first portion of your petition as moot.

With regard to the second portion of your petition, Mr. Abel told us that OSH has no records concerning contacts between OSH and the Multnomah County court or Multnomah County officials concerning the court order for your evaluation pursuant to ORS 161.365 beyond the record already provided to you (namely, a copy of the court order) in response to your March 2005 request for records. Because OSH has no additional records responsive to your request, we also deny this portion of your petition.

Sincerely,

PETER D. SHEPHERD
Deputy Attorney General
