Re: Petition for Public Records Disclosure Order
Oregon Medical Board
DOJ File No. 847001-GA0016-14

Dear Mr. Bost:

This letter is the Attorney General's order in response to your request asking our office to direct the Oregon Medical Board (OMB) to disclose certain records to you. We have construed your letter to be a petition for a public records disclosure order. Your petition does not contain any indication that you submitted a request for production to the OMB, or that the OMB has denied your request for the information. Under the circumstances, we must respectfully deny your petition. We have, however, forwarded your request to OMB officials and asked that they treat your petition as a request for the information you seek.

Sincerely,

FREDERICK M. BOSS
Deputy Attorney General
