Re: **Request For Public Records Disclosure Order; Department of Corrections Records**

Dear Mr. Spencer:

This letter is the Attorney General's order on your petition for disclosure of records under the Public Records Law, ORS 192.410 through 192.505. Your petition, which we received on August 28, 1989, asks the Attorney General to direct the Department of Corrections (department) to furnish for inspection, the drug/alcohol abuse and mental health records of inmates William Ziefel and Dan Addington, which you requested and provided releases for in a letter dated August 15, 1989. For the reasons that follow, your petition is moot.

We understand that, since the filing of your petition, the department has reviewed the documents requested and determined that all are disclosable. We further understand that in accordance with that determination, the department has agreed to make those records available to you for inspection, and that you and the department have scheduled disclosure for Thursday, September 8. That agreement resolves all questions underlying your petition.

Sincerely,

PAMELA L. ABERNETHY
Special Counsel to the
Attorney General
