Re: *Petition for Public Records Disclosure Order*
Oregon Department of Transportation

Dear Mr. Friedman:

This letter is the Attorney General's order on your petition for disclosure of records under the Oregon Public Records Law, ORS 192.410 to 192.505. Your petition, which we received on May 7, 2001, asks the Attorney General to direct the Oregon Department of Transportation (ODOT) to produce a copy of "all maintenance records for the area in question [State Route 6, Milepost 33.4, Tillamook County] for the period commencing at midnight December 6, 2000 through December 13, 2000."

Jim Sampson, Maintenance Manager of the ODOT Manning substation, informs this office that those documents have been disclosed to you. Given ODOT's voluntary disclosure of these documents to you, we deny your petition as moot.

Sincerely,

PETER D. SHEPERD
Deputy Attorney General
