Re: *Petition for Public Records Fee Waiver*
Department of Environmental Quality Records

Dear Mr. Anuta:

This letter is the Attorney General's Order on your petition for an order directing the Oregon Department of Environmental Quality (DEQ) to waive photocopying fees for public records provided by DEQ to the Northwest Environmental Defense Center (NEDC) regarding Teledyne Wah Change NPDES Permit No. 100522. Your petition was received June 19, 1994.

Christopher Rich at DEQ informs us that the invoices sent to NEDC on March 29 and May 19, 1994, were sent in error and that DEQ intends to waive the photocopying fees associated with NEDC's public records request.

For this reason, we deny your petition as moot.

Sincerely,

Elizabeth S. Harchenko

ELIZABETH S. HARCHENKO
