Re: Petition for Public Records Disclosure Order
University of Oregon Records (Petitions 12.5)

Dear Mr. Harbaugh:

This letter is the Attorney General's order on your petition (labeled 12.5) for disclosure of records under the Oregon Public Records Law. Your petition, which we received on September 5, 2007,[1] asks the Attorney General to direct the University of Oregon (UO) to produce the contract or contracts and job description for Melinda Grier's adjunct teaching position at the UO Law School.

Ms. Grier informs us that no such records exist. She does not have a separate contract or job description for her adjunct teaching position at the law school. As a result, there are no public records in UO's custody that are responsive to your request.

Your petition is therefore denied.

Sincerely,

PETER D. SHEPHERD
Deputy Attorney General

c: Melinda Grier, General Counsel, University of Oregon

1 You sent your email petition to Assistant Attorney General Christine Chute on August 31, 2007, but she did not realize that you had not also sent it to the Attorney General's Office until late in the day on September 4, 2007, when she forwarded it to this office. As a result, we did not receive the petition until September 5, 2007.
