Re: Citizens' Utility Board Request for Disclosure of Public Records (dated July 11, 1986)

Dear Mr. Stephens:

This letter responds to your public records disclosure request dated July 11, 1986. On behalf of the Citizens' Utility Board of Oregon, you requested disclosure, pursuant to the Public Records Law, of five (5) sets of documents relating to the Public Utility Commissioner's orders and actions regarding the accounting treatment of certain utility investment tax credits. In accordance with our August 1, 1986 telephone conversation, the Department of Justice is sending you the enclosed copies of public records in our possession.

The copies of the September 12, 1985 letter of the Attorney General to the Public Utility Commissioner and the attached September 12, 1985 report to the Attorney General address your documentary requests numbered 2 and 3. The undated draft of a letter from the Public Utility Commissioner to the Vice-President of Pacific Power & Light and Portland General Electric relate to your documentary request numbered 4. The remaining enclosed copies relate to your documentary request numbered 5. With regard to your documentary request numbered 1, please be advised that the communication referred to therein was oral, and that no written communication on the subject was sent.

As we discussed in our August 1, 1986 conversations, copies of depositions discussed in the above-referenced report also are enclosed, but internal advisory communications within the Department of Justice are not included in the enclosed material. A billing for copying expenses is submitted.

If you have any further questions, please do not hesitate to contact me.

Yours very truly,

JAMES E. MOUNTAIN, JR.

Attorney General
