Dear Mr. Koenig:

We received your facsimile transmission on May 25, 2006. A copy of all four pages of your transmission is attached as Attachment A. You characterize the transmission as a "Petition To Enforce Public Record Law Demand." Accordingly, we treat your demand as a petition filed under Oregon's Public Records Law, ORS 192.410 et seq. This letter is our order on your petition.

In your petition, you note that on December 26th, 2003 this office issued a public records order disposing of a petition that you had filed. Your present petition raises no issues about the Oregon State Police that we did not consider in 2003 in the petition you filed on December 19, 2003. We respectfully deny your petition for the same reasons that we denied your petition in our December 26th, 2003 order. A copy of the December 26th, 2003 order is enclosed as Attachment B.

Sincerely,

PETER D. SHEPHERD
Deputy Attorney General
