Re: Petition for Public Records Disclosure Order:
Marion County Circuit Court Records

Dear Mr. Wilson:

This letter is the Attorney General's order on your petition for disclosure of records under the Oregon Public Records Law, ORS 192.410 to 192.505. Your petition, which we received on September 24, 2009, asks the Attorney General to direct the Oregon Board of Parole and Post-Prison Supervision (Board) to produce the following records:

1. Agenda and minutes of the Board's August 17, 2009 Business meeting;
2. Agenda of the Board's September 21, 2009 Business meeting;
3. Agenda of any emergency Business meeting.[1]

You state that you submitted your request on August 29, 2009. The Board has informed us that it has provided the requested records under cover of letter dated September 25, 2009, a copy of which is attached. We therefore respectfully deny your petition as moot.

Sincerely,

MARY H. WILLIAMS
Deputy Attorney General

DM1654768
c: Nancy Sellers, Executive Director, Oregon Board of Parole and Post-Prison Supervision

[1] In your petition, you clarify that you believe that the Board conducted such meetings on or about September 8 and September 23, 2009. To the extent your petition adds requests for records created after the date of your request to the Board or otherwise not within the scope of that request, the Board is not required to respond until you have requested the records from them. We deny your petition as premature to the extent it seeks an order pertaining to records that you did not request or that the Board did not have at the time your request was made.
