Re: Petition for Public Records
Disclosure Order

Dear Mr. Rice:

This letter responds to your March 10, 1987 petition for an Attorney General's order directing the Corrections Division to disclose a certain report on a pretrial release investigation. We received your petition on March 11, 1987. Because the Corrections Division has decided to make available to you the record you seek, there is no need for an Attorney General's public records order.

On this date, legal counsel to the Corrections Division (Assistant Attorneys General Scott McAlister and David Kramer) confirmed that the division was making the arrangements necessary to disclose to you the document that is the subject of your petition. After securing the advice of legal counsel, the Corrections Division determined that under the particular circumstances of this case, the record you seek is not exempt from disclosure under ORS 192.500(2)(a).

If you have any further questions, please contact me or Assistant Attorney General David Kramer (373-7044).

Very truly yours,

JAMES E. MOUNTAIN, JR.
Special Counsel to the
Attorney General
