Re: Petition for Public Records Disclosure Order
Oregon State Police
DOJ File No. 257001-GA0051-13

Dear Mr. Pyles,

This letter is the Attorney General's order in response to your petition asking our office to order the Oregon State Police (OSP) to disclose public records to you. Your petition forwards an email exchange in which you inquire about a request you made in April of 2012. That correspondence indicates that OSP processed your request in 2012. The correspondence further indicates that OSP will "confirm all requested records were pursued and released" and will update you on the status of that process by June 14. Under the circumstances we cannot conclude that OSP has denied your request. To the contrary it appears that OSP processed your request and is in the process of double-checking its 2012 reply in response to your recent inquiry. Your petition is respectfully denied.

Sincerely,

MARY H. WILLIAMS
Deputy Attorney General
