Re: Petition for Public Records Disclosure Order
State Accident Insurance Fund Corporation
DOJ File No. 435300-GA0110-14

Dear Dr. George,

This letter is the Attorney General's order in response to your petition asking that we direct the State Accident Insurance Fund Corporation (SAIF) to disclose certain records to you under the Oregon Public Records Law, ORS 192.410 to 192.505. Specifically, you are seeking medical records pertaining to an individual who signed a release authorizing SAIF to disclose his medical records to you. We have spoken to SAIF about your petition. SAIF reports that it has no record of receiving any specific request from you, and has received only a copy of two of the three releases that you submitted in connection with your petition. SAIF reports that it did not receive any request for particular records. Moreover, SAIF indicates that the release you submitted is not the correct release to obtain medical records of a treating physician under workers' compensation. SAIF informs us that it will work with you to identify the records you are seeking and the correct release forms needed to obtain those records, and that it will provide you with copies of responsive records, to the extent that is consistent with a signed release in the proper form. Under the circumstances, we cannot conclude that SAIF is denying your request for records and we must respectfully deny your petition.

Sincerely,

FREDERICK M. BOSS
Deputy Attorney General
