Re: Petition for Public Records Disclosure Order
Department of Public Safety Standards & Training
DOJ File No. 259001-GA0087-14

Dear Mr. Elliott:

This letter is the Attorney General's order in response to your petition asking our office to direct the Department of Public Safety Standards and Training (DPSST) to disclose certain records to you under the Oregon Public Records law. Specifically, you seek records related to the DPSST's internal investigation of Tim Moore. DPSST denied your request, citing the exemption permitting personnel disciplinary information to be withheld from disclosure "unless the public interest requires disclosure in the particular instance[.]" ORS 192.501(12). We have spoken to DPSST concerning your petition. We are now informed that under these particular circumstances, DPSST will make the records available to you. We consequently deny your petition as moot. In providing the records, DPSST may determine that some information appearing in them is exempt from disclosure under other provisions of law. If DPSST does so and you disagree with exemptions claimed by DPSST, you may petition our office to review those determinations.

Sincerely,

Frederick M. Boss

Deputy Attorney General
