Re: Petition for Public Records Order
State of Oregon, Department of Corrections
DOJ File No. 291011-GA0057-14

Dear Mr. Donahue,

This letter is the Attorney General's order in response to your petition asking our office to direct the Snake River Correctional Institution (SRCI) to provide you with copies of a particular video recording and a particular audio recording. SRCI informs us that you did not request copies of those materials prior to filing your petition. We must deny your petition, because our authority to require state agencies to provide copies of public records available is limited to cases where the public body has denied a request. ORS 192.450(1). However, we understand that SRCI is now considering whether to provide you with access to these materials. SRCI is also working with your attorney, who requested access to this information in connection with a matter in which he represents you.

Sincerely,

FREDERICK M. BOSS
Deputy Attorney General
