Re: Petition for Public Records Order
University of Oregon Records
File No. 580500-GA0071-07

Dear Mr. Harbaugh:

This letter is the Attorney General's order on your petition for disclosure of public records, received on July 3, 2007, titled "public records petition 8.2." The petition asks for an order to disclose the following documents:

> A) copies of any UO employment contracts for Affirmative Action and Equal Opportunity Director Penelope Daugherty.
>
> * * * * *
>
> B) copies of any consulting contracts between UO and outside firms relating the the [*sic*] preparation of Affirmative Action Plans or reports or related data collection or analysis since 2000.

The Attorney General may order a state agency to disclose records only when the agency has denied a request for the records. *See* ORS 192.450(1). The University is permitted a reasonable amount of time to respond to public records requests. ATTORNEY GENERAL'S PUBLIC RECORDS AND PUBLIC MEETINGS MANUAL (2005) at 9. You submitted your request on May 16, 2007. The University has informed us that it is processing your request and has not denied it. In light of the number and frequency of public records requests that you have made over the past two or three

months, we do not regard the time that has elapsed since the request as unreasonable.[1] We therefore deny your petition as premature.

Sincerely,

PETER D. SHEPHERD
Deputy Attorney General

[1] In your petition you also "ask for a waiver of fees". Nothing in your petition or supporting documents suggests that you have submitted your request for a fee waiver to the University, or if you have, that the University has denied such a request. We therefore deny that part of your petition as premature.
