Re: Public Records Disclosure Request;
Julie Clark Progress Log

Dear Mr. Martin:

This letter responds to your request for the Attorney General's assistance in obtaining public record information. We received your request on July 9, 1987. Specifically, you sought assistance in obtaining a "progress log" maintained by Ms. Julie Clark, Committee Liaison for the House of Representatives.

If we were to treat your request as a petition for a public records disclosure order, we would view the petition as moot. Ms. Clark has informed us that although she was not asked by you to disclose the records you seek, she is ready and willing to make information available to you. Ms. Clark does not have a progress log, as such. She has a weekly minute update which is a public record that is not exempt from public disclosure. This record will be made available to you for inspection, and copies will be made upon your payment of appropriate expenses.

If you have any further questions, please contact Assistant Attorney General Bob Muir (378-4620) or me (378-6002).

Very truly yours,

JAMES E. MOUNTAIN, JR.
Special Counsel to the
Attorney General
