Re: Public Records Disclosure Order
Oregon Housing and Community Services Records
DOJ File No. 914-001-GA0129-11

Dear Mr. DiLorenzo,

This letter is the Attorney General's order in response to your petition seeking an order requiring the Oregon Housing and Community Services Department (HCSD) to disclose certain public records to you. The records in question are scoring keys used by HCSD to evaluate proposals submitted to HCSD by applicants for certain funds administered by HCSD. Because we understand that HCSD has now agreed to provide the requested records, we respectfully deny your petition as moot.

Sincerely,

DAVID E. LEITH
Associate Attorney General
