Re: Petition for Public Records Disclosure Order
Department of Human Services
DOJ File No. 100101-GA0118-16

Dear Ms. Kennedy-Smith:

This letter is the Attorney General's order on your September 27, 2016, petition for public records disclosure under the Oregon Public Records Law, ORS 192.410 to 192.505. Your petition asks the Attorney General to order the Department of Human Services (DHS) to produce police reports and other records related to a specific DHS case.

We respectfully deny your petition as moot because DHS has agreed to produce these records to you. We spoke with Rachael Jones at DHS, who told us that DHS has now produced the Sherwood Police Department report to you, as well as any other records in DHS's possession; DHS does not possess any police report from the Washington County Sheriff's Office.

Sincerely,

Frederick M. Boss
Deputy Attorney General
