Re: Petition for Public Records Disclosure Order
Oregon State Police
DOJ File No. 257001-GA0125-16

Dear Ms. Young:

This letter is the Attorney General's order on your October 11, 2016, petition for disclosure under the Oregon Public Records Law, ORS 192.410 to 192.505. Your petition asks the Attorney General to order the Oregon State Police (OSP) to produce "[a]ny and all investigate reports related to Case #SP15011836, a fatal crash on Oregon 99E that occurred 1/12/15."

OSP initially denied your request based on ORS 419B.035, which prohibits the release of information compiled under various statutes dealing with the report and investigation of child abuse. We spoke with Holly Bolton, an OSP legal compliance specialist. She told us that OSP has now withdrawn that earlier denial, and will produce the records to you upon payment of a $10 processing fee. Therefore, we respectfully deny your petition as moot. OSP may produce the records in redacted form; if you wish to appeal any of those redactions, you may submit a new petition to this office.

Sincerely,

Frederick M. Boss
Deputy Attorney General
