Re: Public Records Request for Disclosure Order
*Department of Human Services*
DOJ File No. 100-001-GA0133-13

Dear Mr. Biggs:

This letter is the Attorney General's order in response to your petition of December 19, 2013 asking our office to direct the Oregon Department of Human Services (DHS) to disclose public records to you under the Oregon Public Records Law. Your petition asserts that DHS had failed to provide you with information you requested in October of this year, and constructively denied your request. We are informed that on December 20, DHS staff sent you an email providing the information that you requested. As a result, your petition is moot. We respectfully deny it on that basis.

Sincerely,

Mary H Williams
