Re: Petition for Public Records Disclosure Order
Oregon Military Department
DOJ File No. 248001/GA0085-17

Dear Mr. Davis:

This letter is the Attorney General's order on your April 20, 2017, petition for public records disclosure under the Oregon Public Records Law, ORS 192.410 to 192.505. Your petition asks the Attorney General to order the Oregon Military Department (OMD) to disclose records responsive to your February 28, 2017, public records request and subsequent modifications (identified by OMD as PRR #11 item #1, PRR #12, and PRR #13).

You subsequently clarified that you are petitioning for disclosure of only those records related to lead contamination in National Guard armories. We have reviewed the withheld records, and the majority do not relate to that subject; it appears that they were inadvertently captured by the search terms used. David Stuckey, OMD's Deputy Director, has agreed to release to you the records that do relate to lead contamination.[1] Therefore, we respectfully deny your petition as moot.

Sincerely,

Frederick M. Boss
Deputy Attorney General

[1] We understand from Mr. Stuckey that these records were previously provided to you with redactions and that OMD has agreed to release unredacted copies of the records.
