Re: Petition for Public Records Disclosure Order
Oregon Department of Environmental Quality
DOJ File No. 340990-GA0120-13

Dear Mr. Rogers,

This letter is the Attorney General's decision in response to your petition asking the Attorney General to order the Oregon Department of Environmental Quality (DEQ) to disclose public records you had previously requested of DEQ. DEQ has determined that it has not provided you with all of the records in its possession that are responsive to your request and that are not exempt under the Oregon Public Records Law. DEQ has informed our office that it will provide you with the additional, non-exempt records by no later than Wednesday, November 20, 2013. In light of DEQ's willingness to do so, your petition is respectfully denied as moot.

In the event that DEQ fails to provide you with such records or you believe that DEQ has otherwise still not complied with its responsibilities under the Public Records Law after November 20, you may file a new petition with our office.

Sincerely,

MARY H. WILLIAMS
Deputy Attorney General
