Re: Petition for Public Records Disclosure Order
Oregon State Police / Criminal Investigations Division
DOJ File No. 257001-GA0112-13

Dear Ms. Lampshire:

This letter is the Attorney General's order in response to your petition asking our office to direct the Oregon State Police (OSP) to disclose certain records to you under the Oregon Public Records law. You had requested information about registered sex offenders. OSP had suggested that it was denying your request. However, by letter dated October 22, 2013, OSP informed you that it continues to evaluate and process your request, and that its prior suggestions that the request was denied had been premature. In light of OSP's letter indicating that your request has not been denied, we respectfully deny your petition.

Sincerely,

Mary H Williams
