Re: Petition for Public Records Disclosure Order
State Accident Insurance Fund Corporation Records
DOJ File No. 435300-GA0102-13

Dear Ms. Miller,

This letter is the Attorney General's order responding to your petition asking that we direct the State Accident Insurance Fund Corporation (SAIF) to disclose public records to you under the Oregon Public Records Law, ORS 192.410 to 192.505. The records in question consist of "impeachment evidence" not used by SAIF in connection with your now-settled workers' compensation claim. You had requested that SAIF provide you with a complete copy of its file pertaining to your claim. When our office contacted you to understand the difference between your request and your petition, you explained that, in providing you with your file, SAIF did not provide you with some materials it had collected for impeachment purposes.[1]

SAIF has now informed us that it will provide you with the surveillance footage in its possession. As a consequence, we respectfully deny your petition as moot.

Sincerely,

Mary H Williams

[1] You also indicated that you may not have received a copy of a report SAIF requested from a care provider, but you informed us that you would follow up with SAIF as to that specific issue.
