Re: Petition for Public Records Disclosure Order:
Trial Court Administrator of the Marion County Courthouse

Dear Mr. Hentz,

This letter is the Attorney General's order responding to your petition asking our office to order the Oregon Department of Corrections (ODOC) to disclose certain public records to you. You had requested information about your work assignment at a laundry facility via an inmate communication form addressed to Sheri Hill of ODOC.

We have spoken to ODOC concerning your petition. We are informed that the information you are requesting is maintained by Oregon Corrections Enterprises (OCE), rather than ODOC, and that Ms. Hill had informed you of that fact prior to your request. As a consequence, ODOC initially denied your records request. However, ODOC informs us that it has decided to withdraw the previous denial and instead forwarded your request to OCE. OCE, meanwhile, informs us that it will process your request. Under the circumstances, your request has not been denied by the custodian of the records you seek. We cannot order OCE or ODOC to disclose the information you requested. Your petition is respectfully denied.

Sincerely,

MARY H. WILLIAMS
Deputy Attorney General
