Re: Request for Attorney General's Public Records Disclosure Order

Dear Mr. Jansen:

On September 30, 1987, the Attorney General's office received your petition for an order directing the Administrator of the Public Transit Division to disclose certain public records to you. In light of subsequent developments, we believe that your petition is moot.

On October 2, 1987, I was advised by Assistant Attorney General Cynthia Carter that the Public Transit Division, on the advice of counsel, was in the process of gathering the documents you requested. Assistant Attorney General Carter also advised me that the Division will be sending to you copies of the documents you requested by October 9, 1987.

On the basis of these facts, we have determined that because the agency has no objection to releasing the requested documents, there is no need for the Attorney General to enter a public records disclosure order.

If you have any further questions, or if you do not receive copies of the documents you requested in the near future, please contact Assistant Attorney General Carter or me.

Very truly yours,

James E. Mountain Jr.
