Re: Petition for Public Records Disclosure Order
Oregon Health Authority
DOJ File No.: 443001-GA0062-22

Dear Mr. Jenkins:

This letter is the Attorney General's response to your petition for disclosure under the Oregon Public Records Law, ORS 192.311 to 192.478. Your petition asks the Attorney General to order the Oregon Health Authority (OHA) to disclose all OHA records relating to you and the "Take Your Shot, Oregon!" lottery, specifically including any records documenting the unique identification number assigned to you by OHA for the lottery, and the date upon which that number was provided to the Oregon Lottery.

We contacted Jeanne Windham, OHA's Public Records Coordinator, regarding your appeal. She informs us that OHA has not received a public records request from you for this information and therefore has not denied your request. However, she explained, OHA has agreed to treat your petition as a new public records request and will be in touch with you shortly.

Because OHA has not denied a request for records, we must respectfully dismiss your petition as premature. *See* ORS 192.411(1) (in general, the Attorney General may order disclosure only when a records request has been denied).

Sincerely,

Lisa M. Udland
