Re: Petition for Public Records Disclosure Order
Oregon Department of Corrections
DOJ File No.: 291200-GA0091-22

Dear Mr. Jenkins:

This letter is the Attorney General's response to your petition for disclosure under the Oregon Public Records Law, ORS 192.311 to 192.478. Your petition, dated September 26, 2022 and received by us on October 5, 2022, asks the Attorney General to order the Department of Corrections (DOC) to disclose the COVID-19 vaccination information entered into the ALERT Immunization Information System (ALERT ISS) relating to you, including confirmation of whether your ALERT ISS record includes phone numbers for DOC or the Two Rivers Correctional Institution. According to your petition, you requested the information by letter dated August 21, 2022. Although your petition does not state the basis for your appeal, we understand that you are asserting that DOC has not responded to your request.

In response to your petition, we contacted Michelle Dodson, DOC's Records Officer. She informed us that a DOC health information specialist provided the vaccination information you requested to you on August 29, 2022. Thereafter, on September 27, 2022 (one day after you mailed your petition), DOC replied to your request in writing by informing you that it had completed its response. Ms. Dodson also informed us that DOC does not have a record relating to the second part of your request because DOC was not required to provide phone numbers when entering COVID-19 vaccination information ALERT ISS. Finally, she informed us that DOC conferred with you again on October 7, 2022, to explain your vaccination data and DOC's vaccination records keeping process.

Because DOC has completed its response to your request and we cannot order DOC to disclose records that do not exist, we must respectfully dismiss your petition as moot.

Sincerely,

Frederick M. Boss
Acting Deputy Attorney General
