Re: Petition for Public Records Disclosure Order
Oregon Health Authority
DOJ File No.: 443727-GA0168-23

Dear Ms. Bong:

This letter is the Attorney General's response to your petition for disclosure under the Oregon Public Records Law, ORS 192.311 to 192.478. Your petition, dated November 10, 2023 but received by us on November 13, 2023, states that the Oregon Health Authority (OHA) has not responded to a records request that you submitted on November 1, 2023. We understand your petition to be asking the Attorney General to find that OHA has failed to respond to your request within the timeframes prescribed in ORS 192.329.[1] *See* ORS 192.407(1).

We contacted Jeanne Windham, OHA Public Records Coordinator, regarding your petition. She informed us that that OHA completed its response to you on November 17, 2023, which was only eleven business days after receiving your request. Because OHA has completed its response, we must respectfully dismiss your petition as moot.

Sincerely,

Lisa M. Udland

[1] ORS 192.329 provides that agencies must respond to written records requests "as soon as practicable and without unreasonable delay." An agency that is unable to complete its response within fifteen business days of receiving a request is required to provide a written statement that the agency is still processing the request and provide a reasonable estimated completion date. ORS 192.329(5).
