Re: Petition for Public Records Disclosure Order
Oregon Governor's Office
DOJ File No.: 121010-GA0102-24

Dear Mr. Myers:

This letter is the Attorney General's response to your petition for disclosure under the Oregon Public Records Law, ORS 192.311 to 192.478. Your petition asserts that the Oregon Governor's Office has failed to timely respond to a public records request submitted by you. You therefore ask the Attorney General to order the Governor's Office to immediately disclose the requested records and to refund some or all of the processing fees you have paid.

In response to your petition, the Governor's Office informed us that it completed its response to you on October 4, 2024. Because the Governor's Office has completed its response, we respectfully dismiss your petition as moot.[1]

Sincerely,

Lisa M. Udland

[1] Regarding your request that we order the Governor's Office to refund some or all of its processing fees, our authority to impose such a penalty arises when we grant a petition and order the disclosure of records. *See* ORS 192.407(3). Because the Governor's Office has completed its response to you, we have no basis for granting your petition and ordering disclosure. It follows that we lack the authority to impose the penalty you seek in this instance.
