Re: Petition for Public Records Disclosure Order
Oregon Department of Corrections
DOJ File No.: 291200-GA0112-24

Dear Mr. Emery:

This letter is the Attorney General's response to your petition seeking disclosure under the Oregon Public Records Law, ORS 192.311 to 192.478. Your petition asks the Attorney General to order the Oregon Department of Corrections (ODOC) to disclose a copy of an Interpath Laboratory graph depicting certain medical information about you. Your petition states that you are routinely permitted to view the graph on your medical provider's computer during appointments, but that ODOC medical staff have repeatedly denied your request for a physical copy of the graph.

We discussed your petition with Michelle Dodson, ODOC's Records officer. She explained that your request was initially processed under OAR 291-124-0100, *Access to AIC Healthcare Records*, and denied because medical staff did not consider the graph to be part of your official electronic health record. That said, ODOC acknowledges that the graph is not exempt from disclosure to you under the Public Records Law and therefore has agreed to process your request. Because ODOC is now processing your request, we respectfully dismiss your petition as moot.

Sincerely,

Lisa M. Udland
