Re: Petition for Public Records Disclosure Order
Oregon Health Authority
DOJ File No.: 443001-GA0033-25

Dear Ms. Bong:

This letter is the Attorney General's response to your petition seeking relief under the Oregon Public Records Law, ORS 192.311 to 192.478. Your petition, which we received March 21, 2025, asks the Attorney General to find that the Oregon Health Authority (OHA) did not make a proper response to your request under Oregon Public Records Law. Specifically, your petition argues that OHA was required to specify whether it was a custodian of documents responsive to your request.

We discussed your petition with OHA's DOJ-assigned contact counsel. We learned that on March 27, 2025, after receiving your petition, OHA sent you a supplemental response stating that "there are no responsive records to your request." Because OHA has now completed its response and indicated that it has no responsive records, there is no relief we can grant to you in this instance. We therefore respectfully dismiss your petition as moot.

Sincerely,

Lisa M. Udland

Deputy Attorney General
