Re: Petition for Public Records Disclosure Order
Oregon Department of Corrections
DOJ File No.: 291200-GA0076-25

Dear Ms. Major:

This letter is the Attorney General's response to your May 6, 2025, petition for disclosure under the Oregon Public Records Law, ORS 192.311 to 192.478. Your petition asks the Attorney General to order the Oregon Department of Corrections (ODOC) to waive its fee and provide you with recorded telephone conversations.

We previously considered this same matter in response to petitions filed by you in March 2023 and January 2024. *See* Public Records Order, Mar 14, 2023, Major; Public Records Order, Jan 18, 2024, Major. In both instances, you asked this office to order ODOC to waive the fees associated with processing your request. *Id.* We denied your petition after concluding that ODOC did not unreasonably deny your request for a fee waiver because disclosure to you would not primarily benefit the general public. *Id*. Your current petition does not offer any new arguments in support of your request for a fee waiver. We therefore decline to reconsider our prior orders and respectfully deny your petition.

Sincerely,

Lisa M. Udland
