Re: Citizens' Utility Board Request for Disclosure of Public Records (dated July 11, 1986)

Dear Mr. Stephens:

Contemporaneously with our disclosure of documents in response to your above-referenced public records request, the Department of Justice received from the Public Utility Commissioner, additional documents relating to the materials we disclosed to you. Specifically, the most recent documents contain the Public Utility Commissioner's critique and proposed revision to the report to the Attorney General dated September 12, 1985 which has been disclosed to you.

In our view, these recent documents are not exempt from disclosure under the Public Records Law. Accordingly, we are disclosing these documents to you. A billing for copying expenses is also enclosed.

If you have any questions or comments, please do not hesitate to contact me.

Very truly yours,

James E. Mountain Jr.
