Re: Petition for Public Records Disclosure Order
Oregon Department of Corrections
DOJ File No.: 291200 GA0162-25

Dear Mr. Greene:

This letter is the Attorney General's response to your petition for disclosure under the Oregon Public Records Law, ORS 192.311 to 192.478. Your petition relates to a request for records you submitted to the Oregon Department of Corrections (ODOC) for certain emails. You challenge the timeliness of ODOC's response.

We contacted ODOC's Public Records Program Manager, Toby Tooley, about your petition. He provided us with a series of communications between you and ODOC concerning fees and the scope of your request. After receiving clarification, ODOC completed its response by providing you with responsive records and citing statutory exemptions for the records that were withheld. Mr. Tooley also indicated that ODOC was processing a partial refund of the fee paid by you. Because ODOC has completed its response to your request, we respectfully dismiss your petition as moot.[1]

Sincerely,

BENJAMIN GUTMAN
Deputy Attorney General

[1] Your petition also attached correspondence related to a separate records request made by you to ODOC. In that correspondence, you demanded that ODOC deliver records in a "sealed envelope," and you alleged "a staff conspiracy to deprive me of my civil rights." Because we have no statutory authority to adjudicate these issues under the Public Records Law, we respectfully dismiss this portion of your petition.
