RE: Petition for Request for Waiver of Fee
Oregon Department of Transportation

Dear Ms. Hansen,

On June 14, 2011, we received your petition asking the Attorney General to order the Oregon Department of Transportation to waive a $27.00 fee assessed in connection with a request for public records. You asserted that ODOT did not disclose the fee in violation of ORS 192.440(4)(c), and that ODOT's refusal to waive the fee was unreasonable under ORS 192.440(5). We have corresponded with Darlene Hobson of ODOT about your petition. After reviewing the circumstances under which the fee was assessed, Ms. Hobson has informed us that ODOT will be retracting the $27 charge. Your petition is consequently moot, and we respectfully deny it on that basis.

Sincerely,

Mary H Williams
