Re: Petition for Public Records Disclosure Order
Oregon State Bar
DOJ File No.: 993001-GA0108-26

Dear Mr. Hudson:

This letter is the Attorney General's response to your petition under the Oregon Public Records Law, ORS 192.311 to 192.431. You submitted a records request to the Oregon State Bar (OSB) on May 4, 2026. In response to that request, OSB indicated that it had produced all responsive documents in connection with a request you made in 2024. Your petition explains that when you tried to open the link to the 2024 records production in OSB's records platform, you could not access the documents.

We forwarded your petition to Nik Chourey, OSB's Deputy General Counsel. Mr. Chourey explained that OSB's records are available to download for 360 days from the date of production. Because the records were produced to you more than two years ago, the link was closed automatically by OSB's records platform. Mr. Chourey stated that OSB has now sent you an active link so that you may once again access the records that were provided to you two years ago. As you now have access to the documents, there is no additional relief we can grant. Therefore, we respectfully dismiss your petition

Sincerely,

BENJAMIN GUTMAN
Deputy Attorney General
