Re: Petition for Public Records Disclosure Order
Oregon Employment Department
DOJ File No.: 471090-GA0115-26

Dear Ms. Longley:

This letter is the Attorney General's response to your petition under the Oregon Public Records Law, ORS 192.311 to 192.431. Your petition challenges the timeliness of the Oregon Employment Department's (OED) response to your records request. Your petition indicates that OED failed to respond to a request you submitted in April. After receiving your petition, we contacted OED's records personnel. OED indicated that it was unaware of your request because it was submitted to an invalid email address. After learning of the request through your petition, OED immediately acknowledged it and indicated to you that it would produce documents by June 5, 2026. Under these circumstances, we cannot conclude that OCE failed to timely respond, and we respectfully deny your petition.

Sincerely,

BENJAMIN GUTMAN
Deputy Attorney General
