Re: Petition for Public Records Disclosure Order
Oregon State Police Records
DOJ File No. 257001-GA0089-12

Dear Mr. Curtis:

This letter is the Attorney General's order in response to your petition asking our office to order the Oregon State Police (OSP) to disclose certain records to you under the Oregon Public Records Law, ORS 192.410 to 192.505.

You included your petition as part of your request that OSP disclose the records in question, meaning that OSP had not had an opportunity to respond to your request before you filed your petition. ORS 192.450 permits individuals whose requests for public records have been denied by Oregon state agencies to petition the Attorney General to review those denials. Because OSP has not denied your underlying public records request, we cannot entertain your petition. It is respectfully denied as premature.

Sincerely,

FREDERICK M. BOSS
Chief Counsel, Civil Enforcement Division
