Re: Petition for Public Records Disclosure Order
Oregon Department of Corrections
DOJ File No.: 291200-GA0166-26

Dear Mr. Glinski:

This letter is the Attorney General's response to your petitions for disclosure under the Oregon Public Records Law, ORS 192.311 to 192.478. Your petitions ask the Attorney General to reconsider orders concerning past petitions filed by you related to the Oregon Department of Corrections (ODOC).[1] We have reviewed your arguments, and we respectfully deny your request for reconsideration for the reasons stated in our prior orders.[2]

Your petition also asserts that ODOC did not provide you with the health status detail report you requested. We reviewed your April 2, 2026, request to ODOC, which sought a "current copy of the health status detail for Lonnie Glinski." On June 18, 2026, ODOC completed its response and provided you with the record you requested.[3] Because the requested record has been provided, we respectfully deny your petition.

Sincerely,

BENJAMIN GUTMAN
Deputy Attorney General

[3] We reviewed the record provided, which is a "health status detail" for Lonnie Glinski dated June 15, 2026.
