Re: Petition for Public Records Disclosure Order
*Oregon Department of Corrections*
DOJ File No.: 291200-GA0181-26

Dear Mr. Krochmal, Jr.:

This letter is the Attorney General's response to your petition for disclosure under the Oregon Public Records Law, ORS 192.311 to 192.478. Your petition stems from a request to the Oregon Department of Corrections (ODOC) for paper copies of documents accessible to you through the tablets ODOC makes available to adults in custody.

We contacted Melissa Nofziger, ODOC's Legal Affairs Administrator, regarding your petition. She explained that ODOC has provided you with electronic access to the records you seek, and ODOC does not believe the Public Records Law obligates it to provide you with physical copies of the records.

A public body completes its response when it provides the requester with a "reasonable opportunity to inspect or copy the public record." ORS 192.324(1)(b). Because ODOC has made the record available to you for inspection on your tablet, it has satisfied its records obligation under the Public Records Law. For this reason, we respectfully deny your petition.

Sincerely,

BENJAMIN GUTMAN
Deputy Attorney General
