Re: Petition for Public Records Disclosure Order
Oregon Department of Corrections
DOJ File No. 291011-GA0063-12

Dear Mr. Engweiler,

This letter is the Attorney General's order in response to your petition, which we received on August 21, 2012. In your petition, you ask the Attorney General to order the Oregon Department of Corrections (ODOC) to provide you with certain records.

ODOC officials inform us that they are willing to provide you with any nonexempt records responsive to your request, but that you must first authorize ODOC to deduct the corresponding fees from your inmate trust account by filling out the appropriate form. In light of ODOC's willingness to provide whatever nonexempt records are responsive to your request, we respectfully dismiss your petition as moot.

Sincerely,

Mary H. Williams
Deputy Attorney General
