Re: *Petition for Public Records Order: Oregon Department of Education DOJ File No. 531-090-531-090*

Dear Mr. Baker:

On October 15, 1996, we received your petition for disclosure of records by the Oregon Department of Education. Your opinion requested "computer printouts and all other documentation that would background supporting the $1.3 million in school district savings and the records of the partnership of any and all agencies conspiring in the energy saving program for the schools." Your petition is identical to the one you filed on July 5, 1996. We denied your July 5 petition because the Department of Education did not have any of the records you described. We have enclosed a copy of that order.

This office will not issue more than one order on the same petition.

Sincerely,

Elizabeth S. Harchenko
