I've learned a lot in the past couple of weeks about our public bodies. My request isn't meant to burden an office like yours. I formally close my request with your office and wish you a wonderful weekend.

Sam

Subject: Public Records Request

Public Records Officer,
This email is a public records request under ORS 192.314. The request is attached as a PDF: the records requested, the search, the format, and a request for a fee waiver.
I study how Oregon's public records law is applied. When a records officer answers, I learn how that officer applies it. Then I build from it, and what I build is public.
I look forward to your contributions to the record.
Respectfully,
Robert Samuel White
