RE: Public Records Request – Reference # 00418

Robert Samuel White,

This letter serves as acknowledgement of your public records request submitted on October 31, 2026 (see ORS 192.324). You requested the following records:

(In summary) All communication between OPDC and OSP including Captain Kyle Kennedy, Government and Media Relations or OSP Public Information Officer

After reviewing your request, OPDC may be the custodian of some of the requested records. Within fifteen (15) business days, you receive either:

1. Records that are subject to release, or
2. Written notice of why OPDC cannot give you the records, or
3. Written notice that it is taking longer than 15-business days to complete your request (see ORS 192.329).

If OPDC requires a fee to process your request, we will let you know the amount before starting. Most requests are finished within 30 days. Larger or more complicated requests may take longer.

If you have any questions about your request, please feel free to contact the OPDC Records Coordinator at 503-991-9417 or records@opdc.state.or.us. We are happy to assist you or answer any questions you may have.

Thank you,
OPDC Records Coordinator
