Dear Mr. White,

You are correct that your October 31, 2026, correspondence constituted a written public records request under Oregon's Public Records Law and should have been forwarded to the individual responsible for processing public records requests. The request has now been routed for processing.

In accordance with ORS 192.324(2), this acknowledges our receipt of your request on October 31, 2026. OREA will conduct a search for records responsive to your request. If responsive records exist, we anticipate being able to review and produce those records without cost by November 20, 2026.

Sincerely,

Mesheal
