SUBJECT	**Re: Records Request Received 11/4/2026 - Robert Samuel White**

One correction.

I said every word relies on their production. One does not. They would not say they came here to instill fear or to intimidate. That is my word. That is the plain meaning of what happened. Deputy Director, is your agency responsible for similar behavior? If you have nothing to hide, demonstrate that fact by granting my fee waiver and producing the records I requested on behalf of the general public.

Thank you for your public service.
