Legislative Counsel Johnson:

Thank you for your letter of November 9, 2026, acknowledging my public records request as PRR 907.1

When I sent this request, I meant it for the public bodies of the executive branch. I did not realize that, by including these offices, I had carried it into a coequal branch of government. Please consider it withdrawn, and close it formally for each of them:

* Oregon State Legislature
* Legislative Administration Committee
* Legislative Commission on Indian Services
* Legislative Fiscal Office
* Legislative Revenue Office

Thank you for your public service.
Respectfully,
Robert Samuel White
Public Records Requestor
