SUBJECT	**RE: I need a set of Comms eyes, please FW: Public Records Request**

Hi [DSL Staff], given the involvement of OSP with the Sandy River Delta enforcement, I imagine you'll find a handful of emails between us and them around June and fall 2025. I'm happy to review responsive materials if you are concerned, but no, this does not require a comms sign-off.

Thank you!

Alyssa Rash (she/her) | Communications Director
